

6th Annual

Haverford College Greater Philadelphia High School Chess Open

Saturday, **March 20, 2010**, Haverford College will be hosting a
Philadelphia Area High School Chess Championship
(for any students grades 9-12)

We will arrange for buses to bring students and coaches from the city to campus Saturday morning and drop them back off in the city Saturday evening. The buses will leave from CCP at 17th and Spring Garden Street at 9am.

The tournament will contain both a rated and a non-rated section. There will be prizes for the top five players in each section. This is an individual tournament so there is no limit on the number of players from each school (the more the merrier!!)

By Friday, 3/19/10 please email Caitlin (HaverfordChess@gmail.com) advance registration for players who will participate in the tournament. Please include name, grade and school. If the player will compete in the rated section please include his/her USCF ID # and expiration date in the email.

On-site registration is discouraged but will run from 9-9:30AM. All pre-registered players are required to arrive by 9:30 and check in with the tournament director. The tournament is G/45 and rounds will start at approximately: 10:00, 11:30, 1:00 and 2:30. After the final round and before the award ceremony, current Haverford students will give the chess players a tour around the campus.

Lunch will be provided free of charge to players, coaches and parents.

Note that there will be an adult Quad tournament held at Haverford the same day. Info is available at <http://students.haverford.edu/chess/>.

Please email Caitlin Coslett at HaverfordChess@gmail.com with questions.
