Dear Friends,

This fall, ASAP has a unique partnership opportunity for your organization. As you may know, ASAP is a nonprofit that serves thousands of Philadelphia students each year through after school enrichment programs- **Chess, Debate, Drama and Scrabble** and we firmly believe that **what happens after graduation starts with what happens after school.**

Currently, ASAP is preparing to celebrate 20 years of service with a back-to-school celebration and fundraiser hosted by Craft Hall Brewery on September 22, 2022 from 5PM-8PM. The theme for the event is **After School: We Build Futures** and we will use the occasion to kick-off our campaign to **increase the number of ASAP programs in Philadelphia public schools by 50%, serving an additional 1,000-2,000 kids by 2025.** The event will honor all the partners, educators, and volunteers who have helped ASAP serve more than 90,000 youth since our inception. All proceeds raised will support our mission to give young people in our city the after school opportunities they deserve – at a time when they need our support more than ever!

As part of the fundraising event, we are also organizing a basket raffle and were hoping that your business might consider contributing in one of the following ways:

- Physical merchandise (i.e., signed memorabilia)
- Gift certificates for products and/ or services
- Tickets to sporting events or local performances
- Monetary donations (including VISA gift cards)

This raffle opportunity is mutually beneficial because not only does it benefit the youth of our program but contributing businesses as well; all will be promoted on ASAP's event invitations, programs, various social media platforms and press outreach.

If you are interested in supporting our event, please start by filling out the attached form and contacting ASAP's Development & Communications Manager Tori Bakey at vbakey@phillyasap.org. All raffle contributors and donors will receive a formal acknowledgement letter for tax purposes. Should you have questions, please feel free to contact us. On behalf of ASAP we thank you for your consideration to making ASAP's 20th Anniversary Celebration & Fundraiser a great success!

Sincerely,

Justin Ennis
